

BikeUMD info can be found on the [DOTS website](#). Connect with us or other cyclists at UMD through [Facebook](#) and [UMD People Who Bike Google Group](#).

FREE Bicycle Registration

All bikes on UMD campus must be registered through www.bikeindex.org/umd.

Benefits of Registration:

- Provides a record of ownership that helps locate the owner of stolen bikes.
- Notifications are sent to bike owners pending impoundment prior to any fines.
- Free lock-cutting service is available.
- Provides data that helps with planning and implementing bicycle infrastructure improvements on campus.

Bike Parking

- Bikes may only be parked on bike racks or other designated bike parking spots.
- Do not lock your bike to: trees, signs, meters, railings, gates, or anything impeding building access.
- Bikes may not remain parked at a bike rack for more than 72 hours, unless at a residential building.
- Always use a U-lock to secure the front of your bike to the bike rack. Cable locks are easy to cut through and are not ideal for securing your bike.

RecWell Bike Shop

- Located in Cole 0249 – Entrance located across Union Lane from Stamp.
- The Bike Shop offers FREE services to help you repair and maintain your bike.
- Semester, weekly and daily bike rentals are available on a first come, first server basis.
- The Bike Shop also provides regular classes, clinics and organizes bike rides.

Bike & E-cooter Share

- **Veo** operates a shared fleet of pedal bikes, electric bikes, and e-scooters to rent by the minute.
- Veo shared devices can travel throughout campus and into the city of College Park.
- Bikes and e-scooters must be parked in any public bike rack or designated areas found in the Veo app.

Bike and E-scooter Safety

- Bikes and e-scooters should generally be used on roads, however, sidewalks can be used when necessary.
- The speed limit on campus is 20MPH which promotes a bike friendly road network.
- Remember to always yield to pedestrians.
- **BE PREDICTABLE:** Make your intentions clear to everyone on the road. Ride in a straight line and don't swerve between parked cars. Signal turns and check behind you well before turning or changing lanes.
- **THINK AHEAD:** Anticipate what drivers, pedestrians, and other people on bikes will do next. Watch for turning vehicles and ride outside the door zone of parked cars. Look out for debris, potholes and other road hazards. Cross railroad tracks at right angles.
- Helmets, U-locks and bike lights are sold at DOTS and at the RecWell Bike Shop.

Lost and Abandoned Bikes

- If you think your bike was impounded for improper parking, appearing abandoned or any other reason contact bike@umd.edu to reclaim your bicycle. All reclaimed bikes will be charged a \$35 impound fee.

Bike Commuter Incentive Program

- Secure, covered bike parking and shower access is available to bike commuters in Regents Drive Garage. For information on how to sign up visit our [sustainable incentives page](#).

Bike Storage

- DOTS offers long-term bike storage for semesters and breaks. Contact bike@umd.edu for pricing and reservations.
