

Baptist Collegiate Ministries is a Christian student org at UMD that provides students with opportunities for worship, Bible study, service, missions, and fun!

You do NOT need to be Baptist to be involved with BCM (about half our students aren't!). We are just a group to help you grow in your relationship with Jesus, serve others, and do so with other like-minded college students 😊 So we hope you choose to check us out!

To get connected with our ministry, just send an email to Jess, the Baptist Chaplain, at [umdbcm@gmail.com](mailto:umdbcm@gmail.com) to be added to our email list and to get any of your questions answered. And you can also check out more info at [www.umdbcm.com](http://www.umdbcm.com)
