

# THE REED-YORKE HEALTH PROFESSIONS ADVISING OFFICE

Information Pamphlet

## ABOUT HPAO

The Health Professions Advising Office serves all current students and alumni of the University of Maryland, as well as students enrolled in basic sciences graduate programs or the Science in the Evening Program. Advisors guide students through their journey into the medical professions through 1:1 advising sessions, workshops covering a multitude of topics, and by assisting with the committee letter to get into a professional school.

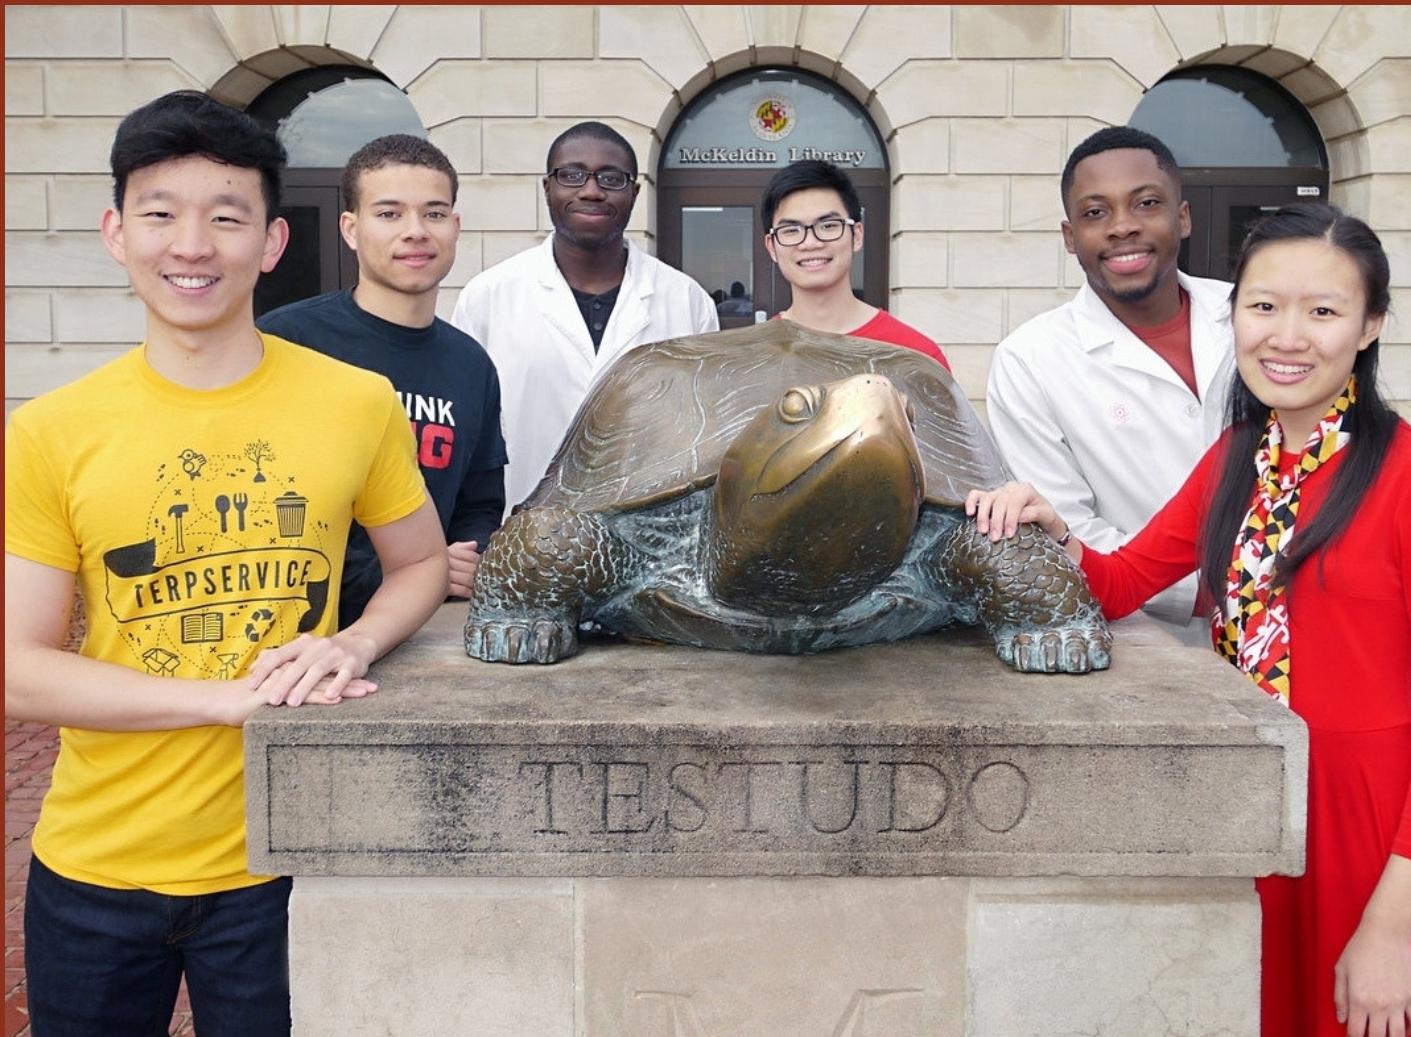

HPAO also supports multiple student organizations directly related to different health professions as well as provides students with the service of 1:1 peer advising through the Student Advisory Board. Information on all of these services can be found on our website: [prehealth.umd.edu](http://prehealth.umd.edu)

UMD HPAO  
4065 Campus Drive  
1210 H. J. Patterson Hall  
University of Maryland  
College Park, MD 20742

## HOW CAN WE HELP YOU?

### ATTEND A WORKSHOP

Plan on going to our "Intro Workshops", if you are new to pre-med/pre-dent! Don't forget about our other helpful workshops: Exploring PA, Nursing Pathways, writing your personal statement, & many more!

### GLANCE THROUGH OUR RESOURCES

Our office has books on MCAT prep, individual schools programs, and scholarships available! Don't forget to check out our website as well for required courses and opportunities to explore on and off campus!

### MEET WITH AN ADVISOR

Regardless of your desired health profession, come see an advisor to get all of your questions answered! Come to walk-in hours or make an appointment with an advisor that can best assist you with your desired professional path!

### UTILIZE THE COMMITTEE PROCESS

Our Committee Letter is an internal reflection and experiential assessment for students interested in pursuing Medical, Dental, Optometry, or Podiatry schools after graduation.
